

### **This Week's Assignment Directions:**

In 2–3 content pages, plus the reference page, citing and referencing at least 3 reliable sources, answer the following questions:

1. Research a historical event that can still be seen to be influencing the public school system and that occurred in Texas in the 17<sup>th</sup>, 18<sup>th</sup>, or 19<sup>th</sup> century.
2. Give a brief description of the event, the influence upon education, and the events leading up to it.
3. How did the event change public education in Texas?
4. What influence(s) did it have when it occurred?
5. In what ways can the event's influence still be seen in Texas today?
