

Diversity in the Workplace
Midterm Guidelines, Spring 2021
Dr. Marar

1. Pick an --ism [racism, classism, sexism, heterosexism, ageism, ableism, faithism]
2. You are asked to investigate 2 areas of your ism:
 - Historical overview of oppression (movements, laws, policies, major lawsuits)
 - Research an organization and ways in which it alleviates or perpetuates the ism. What steps is the organization taking toward progress?
3. How can we engage in alliance building?

Guidelines for your research paper:

- 2-3 pages typed, double spaced, 1” margins.
- There is an accompanying annotated bibliography, which is due one week before the midterm on **March 4**.
- Times New Roman 12 pt font.
- You must cite throughout your paper and in a reference page; failure to do so will result in an automatic F. You may not use footnotes or endnotes and you are required to use APA format.
- Scholarly research sources and/or peer-reviewed books; no Wikipedia or Dictionary.com
- At least 4 scholarly sources. Interviews are NOT primary sources and you may not use your textbooks.
- As always, NO late work.
