

## NUR 390WI - Transcultural nursing model paper (3-5 pages)

### Instruction

For this paper, select one Nursing Cultural/Transcultural Model from those listed in the ‘Transcultural Nursing Theories, Models, and Frameworks. Analyze all components of the model, describing the strengths and weaknesses and its application to healthcare and nursing practice, education, administration, or leadership. Utilize the resources available in the [American Association of Colleges of Nursing \(AACN\) Toolkit for Cultural Competence in Baccalaureate Nursing Education](#) that relate to your chosen model (check “Course Reserves” button in Blackboard). Identify and incorporate any other resources, which might be necessary to effectively present the Nursing Cultural Model in your paper. See grading rubric for more details.

1. Discuss the Background and Essence of your chosen Transcultural Nursing theory, Model or framework.
2. Define major concepts relevant to Transcultural Nursing practice.
3. Describe major constructs of your chosen Transcultural Nursing Models/Theory does it have the major concepts Transcultural nursing practice.
4. How can you apply at least one of the identified constructs of your model to a practice context?
5. Describe strengths and limitations of models, theory, or framework for practice.
6. Brief reflection on application of your chosen Theory to practice, education, administration etc.
