Week 5: Part 4: Literature Search

This assignment is due Sunday night of Week 5 at 11:59pm Mountain Time.

Before starting this assignment, you may want to watch the following PowerPoint presentation again to gain a better understanding of how to complete this assignment.

Step 1 Complete a detailed literature search.

Perform a detailed literature search and identify six current (\leq five years old) articles (qualitative/quantitative studies) from scholarly journals to support your quality improvement measure. Proper APA citing of sources is required. Four of the six sources will be approved by your course instructor for use in writing the annotated bibliography.

Step 2 Save and submit your assignment.

When you have completed your assignment, save a copy for yourself in an easily accessible place and submit a copy to your instructor.

Cite all sources in APA format.

For grading details, see the [rubric](#)

Week 6: Part 5: Annotated Bibliography

This assignment is due Sunday night of Week 6 at 11:59pm Mountain Time.

Before starting this assignment, you may want to watch the following PowerPoint presentation again to gain a better understanding of how to complete this assignment.

Step 1 Summarize four selected and approved research articles from your literature search in Project B, Part 3 (that was due in Week 5).

- A. In a two- to three-page paper, summarize four selected and approved research articles.
- B. Sources must be reputable and within five years of publication.
